

SAMEER SELOKAR

Bhandara, Maharashtra, India | 9860968136 | sameerselokar9823@gmail.com | [Portfolio](#) | [Linkedin](#) | [Github](#)

OBJECTIVE

Eager to contribute skills and creativity to projects that focus on crafting intuitive, user-friendly interfaces. With a solid foundation in HTML, CSS, and JavaScript, I stay updated with the latest web technologies, including React.js for front-end development and Next.js for building optimized, server-side rendered applications. For back-end development, I have knowledge in Node.js and MongoDB, ensuring full-stack proficiency.

WORK EXPERIENCE

Full Stack Developer Motovators Technologies Pvt Ltd, Nagpur	May 2024 - present
Full stack Developer (Intern) Knackline, Bangalore (Remote)	July 2024 - Oct 2024

SKILLS

- | | | |
|---------------|--------------|--------------|
| • HTML | • Javascript | • MongoDB |
| • CSS | • Reactjs | • Git/Github |
| • Tailwindcss | • Nodejs | • Nextjs |

EDUCATION

Master of Computer Application (MCA) Datta Meghe Institute of Higher Education and Research, Wardha	Sep 2023 - Present
Bachelor of Computer Application (BCA) RTMNU Nagpur University, Nagpur	Jul 2020 - Jul 2023

PROJECTS

- Learning Management System ([Github link](#))**
I built a Learning Management System (LMS) using the MERN stack, featuring user and admin dashboards, progress tracking, and Razorpay integration for payments. It enables seamless course management, user authentication, and a smooth learning experience with interactive UI/UX.
- AI Nexus - AI SAAS Platform ([Demo link](#))**
AI Nexus is an AI-powered SaaS platform offering advanced AI-driven tools to enhance digital experiences. It includes AI voice assistance, text-to-image generation, AI video compression, and image enhancement. Built with Next.js, TailwindCSS, and Prisma, it streamlines digital workflows efficiently.
- AI-Powered Interview App ([Demo link](#))**
Built a voice-interactive interview platform using Next.js, Vapi SDK, Firebase, and Gemini AI, where AI acts as the interviewer, generating real-time transcripts and feedback.

EXTRACURRICULAR ACTIVITIES

- Research Paper** :The research paper entitled “Natural Language Processing in Smart Healthcare” has been accepted for presentation at the 1st International Conference on Applied Artificial Intelligence and Machine Learning 2024. The paper has also been selected for publication in a Scopus indexed journal.
- Sports**: I am also a sports person and have won 5 gold medals in state championships and 1 bronze medal in a national championship.

I declare that the information provided above is true to the best of my knowledge and belief
